SUBJECT: YOUR FREEDOM OF INFORMATION ACT CASE DON-NAVY-2015-008629

Dear Ms. Hedman:

This letter acknowledges receipt and provides a final response to your Freedom of Information Act (FOIA) request dated August 24, 2015, originally submitted to the Southwest Regional Maintenance Center in the EPA FOIA Online for any and all invoices, contracts, correspondence and Xactimate reports from companies/individuals who performed pest eradication, mold abatement, water loss (sewage) cleanup, interior drying for last five fiscal years.

During review of your request, we determined that you seek information related to U.S Naval facilities, which falls under the purview of the Naval Facilities Engineering Command. To save time, we have taken the liberty of forwarding your request to that activity for action and direct response to you. For your information, that address for that office is as follows:

Commander
Naval Facilities Engineering Command
1322 Patterson Avenue (FOIA Officer)
Washington Navy Yard, DC 20374

Fees for processing your request were below the threshold for requiring payment at Naval Sea Systems Command Headquarters.

If you have any questions concerning the foregoing, please contact Ginger Dolan at 202-781-3359.

Sincerely,

DONNA M. HAMLIN
